| Q.3 | (a) Explain the Walter’s Model of Dividend in detail and also state how it is | 07 |
|------------|---|-----------|

different from Gordon Dividend Model.

- (b) Amazing Auto Ltd. has outstanding 120000 shares selling at Rs. 20 per share. The company hopes to make a net income of Rs. 350000 during the year ended on 31st March, 2019. The company is considering to pay dividend of Rs. 2.00 per share at the end of current year. The capitalization rate for the risk class of this company has been estimated to be 15%. Assuming no taxes, Answer the following questions listed below on the basis of Modigliani and Miller – Dividend Model:

07

(i) What will be price of share at the end of 31st March 2018.

- a. If dividend is paid and
- b. If dividend is not paid?

(ii) How many new shares must the company issue if the dividend is paid and company needs Rs. 740000 for investment Projects during the year? Compute value of the firm in same case.

OR

- Q.3 (a) Explain the NI and NOI approach of capital structure theory in detail. State the point of difference in NOI and MM Model of Capital Structure.

07

- (b) Prepare a cash budget for the 3 months that is 30 June from the following information

07

month	Sales Rs	Materials Rs.	Wages Rs.	Overhead Rs.
February	14000	9600	3000	1700
March	15000	9000	3000	1900
April	16000	9200	3200	2000
May	17000	10000	3600	2200
June	18000	10400	4000	2300

- 10% of the sales are in cash
- Credit terms are:
- Debtors: 50% of the credit sales are collected next month and balance in the following month
- Creditors: for materials -2 months, for wages – ¼ months, for overhead-1/2 month
- Plant and machinery will be installed in February 2009 at a cost of 96000 Rs. The monthly installment of Rs. 2000 is payable from April onwards
- A dividend of @ 5% on preference share capital of Rs. 200000 will be paid on 1st June
- advance to be received for sale of vehicle of Rs. 9000 in June
- Dividend from investment amounting to Rs. 1000 is expected to be received in June
- Income tax (advance) to be paid in June of Rs. 2000
